SUBJECT: Tentative Order No. R9-2008-0130
PERSON CONTACTED: Steve Dowle
COMPANY: Dowle Dairy
PHONE NUMBER: 760-789-7201

Mr. Steve Dowle, the owner of Dowle Dairy, informed me that Finding 6 of tentative Order No. R9-2008-0130 lists Dowle Dairy at a maximum milking herd size of 370, when the dairy actually supports up to 600 milking cows. Mr. Dowle directed my attention to Resolution No. R9-1995-0023 which adopted a Negative Declaration for an increase in herd size from 370 to 600 milking cows.

After reviewing the files, it is apparent that Resolution R9-1995-0023 was adopted on April 13, 2005, but the WDR, Order No. R9-1994-0127, was not amended to reflect the increase in herd size.
